

ART OF YOGA PROJECT

Begin the Valentine Weekend of Luscious Love with an Open Heart.

On Friday, February 10th, experience the inspiring Rocket III Yoga class while championing the efforts of The Art of Yoga Project. AstaYoga will offer a donation-based class with all proceeds going toward AYP's efforts to free, heal and transform young women and girls of San Francisco who are victims of sex trafficking. We ask that you donate a minimum of \$15. Any extra donation will be fabulously appreciated to support our ongoing efforts. AFTER PARTY included, with awesome t-shirts and tote bags to be sold in honor of this established and valuable non-profit.
